

DPD-4883-59

16 July 1959

Dear Sid,

Enclosed are copies of Invoices 16009 and 16029 from Hycon. (DPD-3327-59 and DPD-4811-59). They ask that 16009 be cancelled. You will note that the only difference in billing is the deletion of training aids.

Please review and approve the billing and receipts of the tool kits and/or submit your comments. The Company did not submit any explanations or travel substantiation.

Very truly yours,

Dan
